

Application Note

Smart Phone - Web Trending

DATRAN Web Trending allows your existing DATRAN Historical Trends to be viewed remotely via a web browser.

An online demo of this can be accessed at <u>http://trending.qtech.co.nz/demo</u> Please enter "demo" for both the username and password boxes.

The following steps demonstrate how to get a Web Trending icon on the home screen of an iPhone:

- I Start the Safari Web Browser and enter the URL http://trending.qtech.co.nz/demo
- 2 Click on the options button has highlighted below:

Application Note DATA SYSTEMS

3 Select Add to Home Screen

The home screen will now include a quick launch icon 4

5 Just tap the icon and now all of your DATRAN Trends can be viewed, from anywhere in the world!

Tip: Landscape view gives the best screen fit
